The deliberations of the Select Committee on the Road Traffic and Taxes Bill concluded to-day and the report is under preparation. The Bill will be finally passed at the Session of the Legislative Council in June next and the Regulation will be promulgated in the early part of July next. Under Section 1 of the Regulation, the Government may fix the date of its coming into force as 1st January 1956. The following arrangements are necessary if it has to take effect from 1st January next.

(1) The auctions of toll gates (State fund as well as District fund) which will be ~~periodically~~ presently held will have to be for only 6 months from 1st July to 31st December 1955. The several auctioning authorities namely, Deputy Commissioners and District Boards have to be instructed accordingly.

(2) Municipalities will have to be instructed to collect the vehicle tax for only the first Six months, and District Boards and Deputy Commissioners to allow ~~xxxxxxxxxxxx~~ composition of tolls for Six months only.

(3) The Bus permits, lorry registrations and such other annual ~~xxxxxxx~~ requirements in respect of Motor Vehicles will have to be confined to the first six months of 1955-56 and the respective authorities have to be instructed accordingly.

4) - Drafting of rules & orders under this

1) The Mysore Road Traffic and Taxes Bill has been passed by the Legislative Council and it will on receiving the assent of His Highness the Maharaja, become law shortly. It is to come into effect "on such date as the Government may by notification direct". The understanding is that it should come into force from the 1st January 1936. The auction sales of Provincial District and Municipal Fund toll gates have been held on this basis.

2) There is a vast volume of work to be done before that date to bring the Regulation into force. Rates of vehicle taxes, service tax on buses and composition fees on toll which are now fixed at a maximum, have to be definitely fixed in such a manner that there will be no fall in the revenue. Rules have to be drafted and issued on a large variety of subjects. The problems dealing with vehicles coming from the Civil & Military Station and those coming from outside the State have to be examined and dealt with.

3) For dealing with these matters a competent officer has to be put on special duty as early as possible. I suggest that Mr. H. Rangachar, District Traffic Superintendent, Mysore Railways, may be placed on deputation with the concurrence of the Agent. The period of deputation may be about six months from about the 1st August next.

The Government have been pleased to sanction me, for the period of my deputation, an allowance of Rs. 50/- per month.

2. According to Article 97 of the Mysore Service Regulation, an officer on deputation may be allowed to draw a deputation (duty) allowance not exceeding 1/5th the salary, if the Special duty involves a decided increase of work or responsibility.

3. When I was placed on deputation previously from November 1932 to May 1933 in connection with this work as Secretary of the Motor Transport Committee, the Government were pleased to sanction me a deputation allowance of 1/5th of my salary. When I was placed on deputation again in June 1934 for a few weeks to draft the Regulation, an allowance of Rs. 50/- was sanctioned. The deputation was only for 7 weeks and for drafting the bill.

4. In the present case, the deputation is for 6 months. The Special duty involves a decided increas of work and responsibility. I therefore pray that the Government may be pleased to sanction the usua deputation allowance allowable under the rules in cases and kindly granted to me previously in the s Special duty viz., 1/5th of my salary.
